BURGER TOPPING SUGGESTIONS:

- | | |
|----------------|--------------|
| Sliced cheese | Fried onions |
| Hamburger buns | Ketchup |
| Pickles | BBQ sauce |

DIRECTIONS:

Preheat outdoor grill to medium-high heat and lightly oil the grate. In a large bowl, combine the ground beef, garlic, Worcestershire sauce, salt, and pepper. Mix in the Paulaner Hefe-Weizen, until the meat mixture absorbs all the beer. Create patties from the resulting meat mixture. Cook patties on preheated grill until they reach your desired degree of doneness (for well done, about 5 minutes per side). Add toppings as desired and enjoy!
